About Seminar

This seminar explores the vital connection between AI, sustainable development, and educational excellence. Take this opportunity and acquire the knowledge about ethical AI usage, AI in education, and how AI can help the world reach sustainability goals.

About College

Bethesda Women Teacher's Training College, Ranchi was established in 1987 by G.E.L. Church, Ranchi a Registered Society as a Minority Institution under Article 29 and 30 of the constitution of India. Since its inception, it is making sustained effort to impact value-based education to young female graduates of Jharkhand. Ranchi being the capital of Jharkhand is a multi lingual and multi dimensional city which offers congenial educational atmosphere for Teacher Education.
